*EEI (Entrepreneurial Exposure Index) is an internal impact metric developed by E-Cell MNIT Jaipur to quantify the overall exposure generated by an event. It is calculated as: $[EEI = P + EH/2 + 5M + D/200]$ where P = Participation, EH = Engagement Hours, M = Mentor Network Engaged, and D = Digital Outreach. The index reflects the combined reach, engagement depth, and mentorship interaction created through the event.
