Total impact till now	Participation	Digital outreach	Engagement Hours	Mentorship network engaged	EEI score*
3200+	200	3000	3	0	216.5

#### Introduction

The orientation session was conducted to welcome new members and introduce them to the purpose and functioning of the E-Cell. It highlighted the club's focus on innovation, creativity, and entrepreneurship, while explaining its activities such as workshops, competitions, and networking events. The session also encouraged juniors to actively contribute through teamwork and event management, inspiring them to develop entrepreneurial thinking and practical skills.

#### Objectives of the event

- To introduce students to the vision, mission, and activities of the E-Cell.
- To encourage an entrepreneurial mindset and innovative thinking among students.
- To provide awareness about opportunities for skill development and practical learning.
- To familiarize students with the startup ecosystem and entrepreneurial initiatives on campus.

- To motivate students to actively participate in E-Cell activities and contribute to its growth.

## **Event Proceedings**

The session was conducted in an interactive and engaging manner where senior members shared their experiences of working in the club and how it contributes to developing practical skills beyond academics. They discussed the importance of teamwork, creativity, and initiative while being part of E-Cell. The orientation also gave students a glimpse of how ideas are converted into real activities through planning, collaboration, and consistent effort within the club. The atmosphere remained open and encouraging, allowing juniors to understand the culture and working style of the organization.

## **Key Proceedings of the Session**

- Brief welcome and introduction of the senior team and coordinators.
- Presentation highlighting the vision of promoting innovation and entrepreneurial thinking.
- Insights from seniors about their learning experiences and challenges while working in the club.
- Discussion on how students can contribute through different skills such as communication, creativity, planning, and coordination.
- Interaction with juniors where they shared their interests and expectations from the club.
- Announcement of upcoming initiatives and opportunities for students to get involved

## **Impact on Students**

- The orientation sparked strong interest among students in entrepreneurship and E-Cell activities.
- Many students showed enthusiasm for the recruitment process and expressed their willingness to join the club.
- The session helped participants gain a clearer understanding of entrepreneurial opportunities.
- Students felt motivated to take part in upcoming workshops and initiatives organized by the E-Cell.

## **Participation and Engagement**

The orientation witnessed enthusiastic participation from a large number of students, particularly first-year entrants from various branches of the institute. The session saw active engagement as students attentively followed the discussions and showed curiosity about the activities of the club. Their keen involvement and interest throughout the session reflected a strong willingness to explore opportunities within the E-Cell and become a part of its future initiatives.

## **Sponsorship**

**Sponsorship** - None

## **Feedback and suggestions**

- Students gave highly positive feedback and showed strong interest in becoming part of the E-Cell.
- Many participants expressed enthusiasm to join the club and participate in the recruitment process.
- The session was appreciated for being informative and interactive, helping students understand the club's opportunities.
- Students suggested organizing more such interactive sessions and workshops in the future to encourage entrepreneurship.

## Conclusion

The orientation successfully introduced students to the vision and activities of the E-Cell while creating enthusiasm among them to explore entrepreneurship. The session helped build a strong connection between the seniors and juniors, encouraging active participation in future initiatives. Overall, the program marked a positive beginning, motivating many students to join the club and contribute to its upcoming activities.

## Event Gallery

\*EEI (Entrepreneurial Exposure Index) is an internal impact metric developed by E-Cell MNIT Jaipur to quantify the overall exposure generated by an event. It is calculated as:  $[EEI = P + \frac{EH}{2} + 5M + \frac{D}{200}]$  where P = Participation, EH = Engagement Hours, M = Mentor Network Engaged, and D = Digital Outreach. The index reflects the combined reach, engagement depth, and mentorship interaction created through the event.
