| Item No. 34-3.6 | : | To consider the termination of 2013 Batch UG students whose CGPA is less than 5.00 for last two years.

As per rules approved in 32nd meeting of Senate held on March 28, 2015, "In case even after an year back, the student fails to attain the minimum CGPA of 5, he/she would be relieved from the program at the end of the year (i.e. would not be permitted to continue further in the institute)".

The Senate observed that such students whose CGPA was less than 5.00 in first year, second year and V Sem have already registered in this semester. Due to delay in issue of notification of the termination of the programme, most of them have registered in the current semester for VI Semester. It was decided by the Senate that such students be given one more opportunity to improve their CGPA. If they again fail to achieve the minimum CGPA required, they will not be permitted to register again in the next semester and will be considered for termination. The Senate also instructed to send the warning notice to the students and their parents. |
|---|---|---|

| Item No. 34-3.7 | : | To consider proposal for encouraging internship in B.Tech. VII Semester.

The Senate approved in principle the proposal of motivating internship in the UG seventh semester on the following lines:

1. Undergraduates should be encouraged to participate in research from second year onwards.

2. Travel grant may be provided to top 5% (based on CGPA up to V semester) UG students in each branch of third year for internship abroad, provided they produce acceptance letters from host Professors/Eminent Scientists in reputed Universities/Research Laboratories. The amount may be booked to corpus created from interest earned from "Student Welfare Fund" and shall be subject to availability of funds.

The Senate instructed Academic Affairs Committee to prepare the scheme in detail for further approval by the Board. It was also decided that the scheme will be reviewed again after two years. |
|---|---|---|

| Item No. 34-3.8 | : | To consider the MNIT Scholar scheme, early induction of bright students into teaching and research.

To meet out the shortage of faculty and to create good-quality teachers-cum-researchers, the Senate approved the following guidelines for early induction of bright students on the lines of Kakodkar Committee report. |
|---|---|---|

		1. The Scheme would be open to top 10% students of the B.Tech course at MNIT. Students who have graduated in last three years shall be eligible to apply. The minimum CGPA of the student should be 8.5 on a ten point scale. The selection shall be made on the basis of CGPA only.
		2. The student shall have an option to register in Ph.D. program of the institute in research area and supervisor of his/her choice.
		3. The faculty supervisor shall have to induct one Co supervisor from IIT's, IISc or reputed Universities abroad (within first semester) and preferably with whom the Institute has Memorandum of Understanding or included in the list of top 200 top ranking Institutes in the world according to any established ranking system. The Slots of the supervisor would be over and above the number of research scholars attached with the faculty members normally.
		4. MNIT Scholar shall take up regular teaching load of maximum 7 hours a week in any practical/tutorial class). Supervisor shall also play a role of mentor for the student in teaching. The Scholar would participate in all regular activities of the Department/ Institute.
		5. Duration of the scheme is four years. At the end of three years the student shall have an option to get an M. Tech degree and quit the scheme, provided the student has completed all credit requirements of M. Tech degree and successfully defended the Thesis.
		6. The student shall get a scholarship of Rs 50000/- per month. This may be suitably revised by the senate from time to time. He shall be provided with office space, and necessary facilities. He would also be allowed to attend one national conference every year and one international conference once in three years. If the external supervisor is ready to host him for one or two semester the scholar shall be permitted to attend one or more semesters in the institution of the external advisor.
		7. Initially it is proposed to have five such scholarships in each Engineering Department. This may be revised by the senate from time to time.
		8. Since the MNIT scholar is taking substantial teaching load and participating in all the activities in the Institute, expenditure on this account may be made initially from "Non plan grant" of the Institute. He shall work against one of the vacant faculty positions of the Institute.
Item No. 34-3.9	:	**To consider the Ph.D. process for Senior Internal Faculty members of MNIT Jaipur.** In order to encourage and motivate senior faculty members to do Ph.D. degree from the institute, the following guidelines were approved by the Senate after detailed deliberations: 1. The process is applicable to all the faculty members of MNIT (or erstwhile MREC) having minimum of 15 years of teaching experience and also they must have involved in teaching Masters level courses for at least two years at MNIT (or MREC) Jaipur. 2. The faculty member would submit a Ph.D. proposal to the supervisor who is a regular faculty member of the Institute and is actively involved in Ph.D.

		supervision. In order to encourage interdisciplinary research the faculty member shall be permitted to opt for supervisor from any department or centre in the Institute. This candidature of the faculty shall be over and above the regular slots of the faculty supervisor. There shall be no need for the faculty member to get a No Objection Certificate (NOC) from the Institute. Though, this submission can be done anytime of the year, submission in synchronization with academic calendar should be encouraged by the supervisors. 3. Supervisor would form a DREC comprising of at least three more faculty members of the Institute all of them having a Ph.D. degree. 4. DREC would conduct written exam and interview and based on its recommendation Dean Academic would allow registration of the faculty member for the Ph.D. programme at MNIT Jaipur. 5. As per decision of 13th senate, there would be no requirement of course work. 6. At the end of every semester Ph.D. registered faculty member would make presentation of the progress of the work to the DREC. On Satisfactory report of DREC the faculty member shall be allowed registration in the next semester. 7. Comprehensive examination (Oral and written) shall be conducted by the supervisor in consultation with DREC as per PG regulations of MNIT Jaipur. 8. Minimum and maximum time required to submit the thesis would be as per regular candidates. 9. In case the supervisor is not in position to supervise due to retirement, change of job or any other valid reason new supervisor shall be appointed by Dean Academic Affairs based on the recommendation of DREC. 10. Examination and evaluation process of the Ph.D. thesis would remain the same as that applicable to existing doctoral students as per PG regulations. 11. Fee as applicable to faculty members of MNIT Jaipur shall be charged from the faculty members in these cases. 12. Any other issue regarding Ph.D. of faculty members shall be dealt by Academic Affairs Committee and shall be implemented after taking permission of chairman senate.
Item No. 34-3.10	:	**To consider increment in fee for student welfare from Rs. 500/- to Rs. 1500/- per annum.** The proposal of increasing fee for student welfare Rs. 500/- per annum to Rs. 1500/- per annum for UG students was discussed in detailed. The Senate approved the same to support the internship, travel support, and research activities of UG students after looking into the recommendation of SUGB. The revised fee will be applicable for the students taking admission from the new academic session 2016-17.
Item No. 34-3.11	:	**To consider the matter regarding the amount of nominal fee to be paid by a Ph.D. student who has already submitted thesis for evaluation as per clause 4 (sub clause 2) of R&R manual for PG Programmes.** On the recommendation of SPGB, the Senate approved that a PhD student who has submitted the thesis shall be required to pay only the following components of the Institute fee for registration in the semester for zero units (i.e. to continue to be on rolls of the institute till he/she is awarded the Ph.D. degree):

		(1) Admission processing fee (2) Examination fee The Senate approved that such candidate is not required to pay the insurance fee component.
Item No. 34-3.12	:	**To consider the Ph.D. Institute Assistantship of Research scholars of Architecture & Planning Department at par with other Engineering and Science Ph.D. research scholars of the Institute.** As per AICTE Act 1987, Architecture is defined as one of the technical education programme. With reference to this act and the letter No. 17-2/2014-TS.I dated 02nd March 2015 from Department of Higher Education, Ministry of Human Resource Development, Government of India and DST Office Memorandum No. SR/S9/Z-09/2012 dated 21st October 2014, the Senate decided after detailed discussion to include post-graduate degree in Architecture/Planning as professional course for making the aspirants to be eligible for Institute assistantship equivalent to other professional courses in Engineering/Technology. The students who are pursuing PhD programme in the Department of Architecture and Planning are permitted to get the fellowship at par with other Engineering research scholars of the Institute.
Item No. 34-3.13	:	**To consider the Ph.D. Institute Assistantship of Research scholars in the Department of Physics, Chemistry & Mathematics with qualification M.Sc. NET LS (Lectureship).** In the light of letter No. 17-2/2014-TS.I dated 02nd March 2015 from Department of Higher Education, Ministry of Human Resource Development, Government of India and DST Office Memorandum No. SR/S9/Z-09/2012 dated 21st October 2014, it was decided that only Post Graduate Degree holders in Basic Science with NET/GATE Qualification or Graduate Degree in Professional with NET/GATE Qualification or Post Graduate Degree in Professional Courses will be eligible for scholarship. The candidates having Net-LS qualification will not be eligible for the scholarship until new guidelines come from the MHRD.
Item No. 34-3.14	:	**To consider the Ph.D. Institute Assistantship of Research scholars in the Department of Management Studies.** It was decided after detailed deliberation that the candidate with MBA degree without NET/GATE qualification will not be eligible for scholarship. However, the students who are already getting Scholarship will continue to get the same without any revision.
Item No. 34-3.15	:	**To consider the matter regarding Non-Net Ph.D. Institute Assistantship of Research scholars in the Department of Humanities & Social Science.** After detailed discussion, it was decided by the Senate that the candidates without NET qualification will not be eligible for any scholarship. However, the students who are already getting non-NET fellowship in Basic Sciences and Humanities and Social Science will get the amount as per guidelines of UGC/MHRD (UGC D.O. No. F87-1-2012 (SU) dated 24th June 2013), i.e. Rs. 8,000 per month.
Item No. 34-3.16	:	**To consider the fee structure of various programmes in MNIT – instructions with regard to tuition fee waiver of SC/ST category of students in NITs.** The Senate adopted the direction of MHRD vide letter No. F.No. 33-4/2014-TS-3, dated 16-06-2015, dated 21-12-2015, and F.No. 14-5-2013-SC/ST, dated 13-01-2014.

		It reiterated "*(i) No fees need be charged at the time of admission from those SC/ST students who are eligible for post-matric scholarship/top-class scholarships. At the time of admission they may be advised to deposit the fee with the Institute as soon as they receive the scholarship. An undertaking to this effect may be taken from them at the time of admission. However, the CFHEIs will be responsible for timely verification, etc. of documents and their submission to facilitate timely disbursement of scholarship. (ii) In other cases, if any SC/ST students failed to deposit the fee in the Institute then fees may be charged after making special efforts to get them requisite loan sanctioned, including facility of interest subsidy to those whose income is below Rs. 4.5 lakhs where applicable. (iii) Special schemes under SCSP/TSP may also be drawn in consultation with the target group to respective CFHEIs for providing other facilities like books, equipment, etc. essentially required for completion of course, which are not covered under these Scholarship Scheme for SC/ST students*"
Item No. 34-3.17	:	**To consider the matter regarding Ph.D. Institute Assistantship of Research scholars with NET JRF qualification in the Department of Humanities & Social Science.** After detailed discussion, the Senate approved that only candidates with NET-JRF qualification in Humanities and Social Science will be eligible for scholarship as per UGC guidelines.
