

Technical Society, CACS organized an event called "Webcraft", a website designing competition to bring out the web designing talent hidden in the students of MNIT Jaipur.

The event consisted of 2 rounds. In round 1, 1 hour written quiz was carried out on 30th Sep 2015. In round 1 shortlisted students were given a task to make a live website.

The feedback from the students was really good and they liked the competition a lot.

The winners was awarded with a cash prize of INR 2000, INR 1500 and INR 1000 each.
