

SPHINX'24

THE ANNUAL TECHNO-MANAGEMENT FEST

ABOUT MNIT JAIPUR

Established in 1963, Malaviya National Institute of Technology has a great history of being evolved from Malaviya Regional Engineering College to Malaviya National Institute of Technology in 2002 and then to a Institute of National Importance under an Act of Parliament in 2007. Located in the heart of Pink City of Rajasthan, Jaipur, it is one of the most premier institutes of the nation, having a campus area of more than 317 acres. It has been serving to the future of the nation and the world, with a legacy of producing world class engineers, managers, researchers and leaders for more than 60 years now. MNIT Jaipur has a mission to create technical manpower for meeting the current and future demands of the industry.

ABOUT SPHINX

The brilliant brains of the Malaviya National Institute of Technology (MNIT) Jaipur proudly and proudly organise the yearly spectacular Sphinx, Rajasthan's largest Techno-Management fest. It is a successful blending of technical mastery with artistic creativity. At Sphinx, our goal is to provide an environment that promotes learning, growth, and professional development by arranging connections between industry professionals and peers.

Sphinx'24 brings together brilliant minds from throughout the nation to offer an experience like no other and provides a rare chance for students to showcase their abilities as well as network with professionals in the field and like-minded people. Sphinx'24 has something unique in store for everyone, regardless of whether they are tech enthusiasts, aspiring engineers, or aspiring entrepreneurs.

DIRECTOR'S MESSAGE

Ascend: A Leap into the Future

As the Director of MNIT Jaipur, I extend my heartfelt wishes for the upcoming techno-management fest, SPHINX'24. This year's theme, "Ascend" aptly captures our aspirations of the future and technology as we focus on the exciting realm of space exploration and the transition from evolution to going beyond our capabilities.

Participating in such a fest plays a crucial role in the overall development of students. Balancing academics with extracurricular activities not only enhances practical knowledge but also helps in honing essential skills such as leadership, teamwork, and effective communication. Such experiences contribute significantly to personal growth, shaping well-rounded individuals and expanding their horizons.

I encourage all participants to immerse themselves in the myriads of activities, workshops, and competitions that will foster learning and inspire new ideas. SPHINX'24 is an excellent platform to connect, share knowledge, and challenge oneself. I am confident that this year's fest will surpass the benchmarks set by previous years, showcasing the remarkable talent and dedication of our students.

May SPHINX'24 be a resounding success, filled with enthusiasm and unforgettable experiences. I look forward to witnessing the extraordinary efforts of everyone involved.

Best wishes,

Prof. Narayana Prasad Padhy

Director, MNIT Jaipur

DEAN'S MESSAGE

I am thrilled to convey my best wishes for the upcoming techno-management fest, SPHINX'24. This year's theme, "Ascend," beautifully reflects our ambition to explore new technology and space exploration frontiers.

SPHINX'24 represents more than just a series of events; it celebrates creativity, teamwork, and innovation. Engaging in such activities is vital for holistic development, allowing you to discover your strengths, build confidence, and cultivate essential skills beyond the classroom.

I want to express my heartfelt appreciation for the student body, whose tireless efforts and dedication have brought this event to life. Your commitment, creativity, and teamwork set the stage for an extraordinary experience.

I encourage all participants to embrace this opportunity to learn, collaborate, and challenge yourselves. The experiences gained here will enrich your academic journey and prepare you for the future.

Let us work together to ensure that SPHINX'24 sets new standards and creates lasting memories for all involved. I look forward to witnessing our student community's enthusiasm and talent at this fest and wish you all a fantastic and inspiring experience!

Best Wishes,

Prof. Kanupriya Sachdev

Dean of Students Welfare

TECHNICAL SOCIETIES COORDINATOR'S MESSAGE

With great enthusiasm, I extend my warmest wishes for our upcoming techno-management fest, SPHINX '24. This year's event promises to be a vibrant celebration of innovation, creativity, and collaboration, bringing together the brightest minds from our institution and beyond. Having been an integral part of the planning and execution of SPHINX this year, I have witnessed firsthand the passion and hard work of making this fest a success. Each team member's dedication has been pivotal in shaping this event, and I am genuinely grateful for the team's unwavering commitment. We have crafted a fest filled with engaging activities, workshops, and competitions to challenge our skills and spark our imaginations.

SPHINX '24 is not just an event; it's a platform where ideas converge and future leaders are born. We have an incredible lineup of insightful talks by industry experts and hands-on sessions that delve into the latest technologies. There's something for everyone, and I encourage each of you to actively participate, share your unique perspectives, and seize this opportunity to network with fellow students, faculty, and industry leaders.

I am confident that the enthusiasm and innovation each of you brings will make this fest a resounding success. The connections you forge today could lead to exciting opportunities tomorrow!

Let's work together to create an inspiring atmosphere where creativity knows no bounds. As we gear up for SPHINX '24, I look forward to witnessing the unique contributions you will all bring to this fest.

Wishing you all the best in your preparations, and here's to a spectacular SPHINX '24!
